"Δὲν ἀκούεται οὐτ' ἓνα κύμα εἰς τὴν ἔρμη  
ἀκρογιαλιά, Λὲς καὶ ἡ θάλασσα κοιμᾶται,  
μὲς τῆς γῆς τὴν ἀγκαλιά."

Lyrics from the poem "Galini",  
Dionysios Solomos, that was written  
right next to Utopia while he was listening  
to the sound of the waves.

The societal changes and inequalities that developed between the various classes of Zakynthian society: Cittadini (bourgeois citizens), Popolari (urban lower classes) and the Villani (people of the countryside) resulted in the so-called Rebellion of the Popolari which broke in 1628 and lasted for 4 years.

The most famous landmark of the island is the Navagio beach. It is a cove on the northwest shore, isolated by high cliffs and accessible only by boat. The beach and sea floor are made of white pebbles, and surrounded by turquoise waters. It is named after a shipwreck, which sunk on the shore around 1980.

## INSPIRATION

1953: This was a very significant year for the island of Zakynthos and its inhabitants. A big earthquake struck at midday and a big fire burned down the historic town of Zakynthos. This is the main reason why there are no buildings left with the important Venetian architecture in Zakynthos town, as you might find in other Ionian islands.
